FIRE TAG FORM

Fire tag purchases are for fire protection only and are due annually on January 1st. The cost for fire tags purchased after January 31st is \$40 per lot owned. Fire tags stay with the lot throughout the calendar year. When purchasing new property, you should contact our Department to determine if your new property has an existing fire tag so that you are covered for the remainder of the calendar year. This will also enable us to update our records to reflect new ownership information in case a fire or other emergency occurs on your property.

It is vital when completing your fire tag form that it contains your name, mailing address, e-mail address, phone number and each Plat and Lot Number being covered. We are a separate entity from the Lake Timberline Board and front office so we do not have access to this information if it is incomplete. Your check or money order should be made payable to LTVFD. You can mail it directly to us or place it in our drop box on the side of the Fire House. When dropping your payment at the Fire House drop box, please raise the flag. If paying with cash, please make sure you have correct amount. Any funds over the required payment will be considered a donation.
