IN THE EVENT OF ANY EMERGENCY DIAL 911

This is to acknowledge that you have been provided with our Welcome Packet which provides information about our community's Fire Department. We ask that you take a moment to familiarize yourself with this information and the included forms.

Upon our receipt of this form, we will check our records to determine if the previous owner had a fire tag for the current year as fire tags remain with the property. We will then contact you to let you know if there is a fire tag. If your new property has a fire tag, we will ask for your contact information so that we may update our records.

Should you have any questions or concerns, you can leave a detailed voice message, send us an email, or attend our regular meetings.
